Purpose

- *Speech contests provide an opportunity for speakers to improve their speaking abilities and to recognize the best as an encouragement to all Toastmasters.*
- *And offer an opportunity to learn by observing the more proficient speakers who have benefited from their Toastmasters training.*
- *The Toastmasters International Speech Contest is to provide an opportunity to learn by observing the more proficient speakers who have benefited from their Toastmasters training.*

Eligibility

To be eligible a contestant must:

- *Be a Toastmaster in good standing of a club in good standing, meaning the club has 8 or more members and their membership dues are current with Toastmasters International.*
- *Have completed at least six manual speeches in the Communication and Leadership Program manual or two Levels in Pathways, either two levels of one path, or one level from two separate*
- *Only one kind of exception may be made to the requirements listed above.*
- *However, a charter member of a club chartered less than one (1) year before the club contest is permitted to compete without having completed this requirement. The club must have officially chartered before the Area contest to qualify.*
- *Not be a current District or International officer, nor have*

declared the intent to run for, District or International office (i.e. District Program Quality Director, Division Director, etc.).

- *Toastmasters who are members of more than one club and meet all other eligibility requirements may compete at each club level. They may not, however, compete in more than one Division International Speech Contest, even if the two Divisions are in different Districts.*

(Contest Rules)

The contestants have been briefed about the agreed speaking area which is the frame of their camera.

Contestants are required to stay in the frame, any movement out of the frame which includes parts of their face or upper body will make it difficult for judges to observe them and may not work in their favor.

- *There is no penalty for moving out of frame.*

Speakers may stand or sit depending on the space available to them.

- *Props may be used to support or illustrate the speech.*

There is no recording of speeches, screenshots, or pictures allowed during the contest.

- *Everyone is to remain muted, with your video off, except the Toastmaster, the signaling timer, and the speaker on the stage.*

Even though you are muted we ask that you turn off all beepers, cell phones, or any object that may make noise during the contest.

Once the speaker begins no prompt will be given for moving out of the frame. Speakers can monitor themselves on their computer screen.

There will be one minute of silence after each contestant for the judges to mark their ballots. After the final contestant, I will ask for silence until the judges and ballot counters have collected all the judges' ballots.

(Speaking Order)

I will address each speaker by name and ask "Are You Ready?"

- [The Contestant will select "Hide non-video participants"]
- [Once that is done, the Contestant is required to provide an Audible "Yes, I am ready" to confirm their audio is on and they are ready to speak.]

Next, I will ask each speaker "Can You See the Timer"

- [The Contestant may optionally pin the Timer. The Contestant will provide an audible "Yes" to the Toastmaster]

Then I will ask the Timer, "Timer Are you Ready"

The Timer will respond "The Timer is Ready."

To eliminate any perception of bias, I will introduce each contestant in the same way:

Speaker Name, Speech Title, Speaker Name

The Speakers will not start their speech until I formally announce them.

The speaking order has been chosen randomly by drawing lots. I'll announce the order now. You may want to mark your program with the contestant speaking order. The speaking order is shown on this slide and it will be posted in the Chat Room.
