Fall 2018 Recap

Pathfinders Confidence and Communication Workshop (November 15, 2019)

Western Digital Pathfinders Network invited **Tom McDorman**, VP Worldwide Manufacturing Engineering, to present a workshop on presentation skills, focusing on identifying and avoiding common detractors. **Adlibmasters** members got to meet and mingle with members from Milpitas Toastmasters Clubs, **Friendly Toasters** and **Vanguard**.

Holiday Party Open House (December 18, 2018)

The holiday party open house kicked off by presenting former Adlibmasters President **Jean O'Young** with a plaque to commemorate her Club President Award and keeping Adlibmasters a President Distinguished Club by fulfilling 9 out of 10 District 101 goals. We then enjoyed a delicious potluck contributed by our wonderful members. We played an "Adlibmasters White Elephant" where members have to speak for 1-2 minutes about what the wrapped gift might be and why they chose it out of the pile of gifts. Food, fun, gifts and cake were had by all!

A message from our President...

Season's greetings! A new year is a time to reflect on personal goals, and I hope Adlibmasters can help you reach them! Club renewals are due in January so please consider the benefits of Adlibmasters and pay your dues if you get an email from our treasurer **Lorraine Myers**. Let me know if there's anything I can do to help you reach your goals. Looking forward to a happy and healthy 2019 with all of you.
